Note 1. No author may have more than 4 images and there must be at least 4 authors in the total entry

Please read and sign Page 2 of the entry form and enclose both pages with your entry.

Please send a separate CD for the GB Cup Natural History Competition if you are entering.
(We would prefer not to have Natural History images entered in the Small Club section and they will be judged on a purely pictorial basis.)

Small Club relates to your inability to make up a satisfactory entry involving at least 7 members as required for the GB Cup Open and you should decide for yourself which competition you wish to enter. Clubs of any size membership may enter either competition (not both) but it is anticipated that you will strive to enter the competition most appropriate to your size, strength and reputation.

Declaration

I am the appointed representative of the club named overleaf and I certify that we have complied with and agree to be bound by the published rules – both the General Rules and the Digital File Rules.

Our club accepts that the PAGB cannot be held liable for the loss or damage of any photographs or other material used in this competition no matter how this loss or damage may occur and we further understand that no CDs will be returned.

I understand that photographers may, in this competition in any one year, support only one club and certify that all entrants listed are bona fide members of this club. (All of the images from any photographer entering with more than one club will be disqualified.)
