

THE PHOTOGRAPHIC ALLIANCE OF GREAT BRITAIN

AWARDS FOR PHOTOGRAPHIC MERIT (APM) EXPLANATORY LEAFLET AND CONDITIONS FOR ENTRY ISSUE ONE EFFECTIVE NOV 2010 ADJUDICATION

Appointed Chairman of Adjudicators

The Chairman (non-voting) will brief the adjudicators beforehand and observe throughout to ensure a degree of consistency. He is authorised to review 'near misses' on the day and if appropriate, re-mark individual pictures which may result in a pass

Review Procedure

In addition to the review of 'near miss entrants' by the Appointed Chairman of the Adjudicators on the Adjudication Day, applicants who did not achieve the minimum number of marks necessary to gain the award may ask for further re-examination.

Requests will be considered in the light of the analysis of all the marks awarded on all of the adjudication days. If it is considered that the level of marking for the particular adjudication was inconsistent with the standards laid down, then a panel will be appointed to reassess all those who wish it. Applicants will bear all the postal costs involved.

Declaration

By completing the Application Form the Applicant confirms:-

1. that they own the sole Copyright of all parts of every image submitted as their entry
2. that they have read this Explanatory Leaflet and accept the Conditions for Entry set out herein

If you have applied and received notification that you have been accepted the Entry Packs are normally issued well in advance of the Adjudication and will include full details of the venue, labels (where appropriate for prints and slides) and a timetable for making submissions.

Footnote

The PAGB Awards are proving very popular with many Adjudications being oversubscribed well before the closing dates specified above. With the introduction of Projected Digital Images this is likely to pertain.. The PAGB will continue to monitor the situation to ensure entrants do not have to wait too long for an Adjudication but, in the meantime, you should plan well ahead to avoid disappointment.

Awards

The Awards are open to all members of clubs affiliated to the PAGB through their Federations, they are at three levels:

Credit (CPAGB)	Certificate and Blue Badge
Distinction (DPAGB)	Certificate and Red Badge
Master (MPAGB)	Certificate and Yellow Badge

The Awards are normally held for life without any annual fee and holders are entitled to use the designated letters after their name.

Qualification

All applicants must pre-qualify in accordance with their Federations criteria as having supported Federation photographic events. This support from current active photographers must have been for a minimum of 2 years for CPAGB, 3 years for DPAGB and 5 Years for MPAGB, A retrospective period of 10 years may be considered. Applications for MPAGB must have held DPAGB for at least 11 months on the date of adjudication. Please contact your Federation Awards Officer for guidance.

Prints ,Slides and Projected Digital Images (abbreviated to PDI)

Print, Slide and Projected Digital Image Adjudications will normally be held in April and November and the closing date for applications will be 31ST January and 31ST August respectively. This may be varied according to demand. The minimum number of entrants for any one day is 30 and the minimum for each section is normally 5. The maximum number of prints, slides and projected digital images adjudicated on any one day will not normally exceed 650.

Prints, Slides and Projected Digital Images for use at future Adjudications

All successful entrants are required to donate an image scoring in the passing range and chosen by the Awards Chairman/Committee. This will be used to demonstrate the passing standard to assessors and audiences at future Adjudications. It may also be used for APM Workshops and to promote the Awards, including the PAGB Website and possibly by the Recorded Lecture Service.

If the retained image is a print it will not be returned. If the selected image is a Slide this will be copied and the original returned to you as soon as we can. As the CD's of PDI will not be returned, and because we need to build up a bank of images from scratch, the PAGB reserves the right to use more than one PDI for the above purposes. **Copyright of all of these images remains with the Originator.**

Adjudication Method

Adjudication will be carried out by 6 persons selected from the PAGB Judges list. Each print, slide or PDI will be scored electronically (2 to 5 by each adjudicator) but only the total score for each photograph will be announced.

Pictures will not be presented as panels but will be mixed and judged as individual images. Prints may be mounted or unmounted but not framed. The maximum size including mount is 50cm x 40cm. Mounts to be lightweight of a type that will not damage other prints when stacked. Velcro or any similar material must not be on either side of prints. The title may be on the front of the print but not the applicant's name. Prints should not be submitted in sleeves or other covers.

Slides should be submitted in mounts 5 cm x 5 cm and correctly "spotted" for projection.

Projected Digital Images must be submitted on CD-R **prior** to the Adjudication and will not be returned after it. Entries presented on any other media will not be accepted. The final date for submissions will be advised to you in your Entry Pack. Please see the separate "Guidance Notes for PDI" leaflet downloadable from the PAGB Website or available from your Federation Awards Officer or the Awards Secretary.

Mixed Print, Slide and/or Projected Digital Image entries are not permitted.
